

## Bermuda - 100mm Square - Waste

Bermuda floor grates are manufactured in Australia using the latest computer controlled casting processes.

The Bermuda range includes the Square Bermuda for 50mm, 80mm or 100mm waste pipe installations, measures 115mm square and accommodates a 96mm square tile insert.

The round Bermuda is available for 100mm waste pipe installations, has a 115mm outside diameter and accommodates a 63.5mm diameter tile insert.
